

Best choice! Best result!
Miracube stereoscopic 3D solution

3D View Finder

It is helpful for recording and monitoring in real time on set
It is also valuable for editing, and even working on CG after recording in real time.

- Portable with a carrying handle on top
- Real time monitoring
- Light weight
- Excellent Durability
- Adjustable flaps to block out the sun
- Professional Grade 3D Stereoscopic Display
- HD-SDI In & Out Ports
- Professional Grade Synchronizer for combining 2 feeds into one 3D movie file

With the Miracube Professional
3D Stereographic System,
Pavonine Korea offers for
the first time a complete portable,
passive circular polarized,
stereoscopic system for professional
3D filmmaking in HD resolution.
